Great American Steam Locomotive Museum & Cambridge Wooden Toy Company

CambridgeWoodenToyCo.com

For over 40 years, Brian Gray has been making some of the best hand-made wooden toys in Southeastern Ohio. He uses only select hardwoods for their beauty and all edges of the toys are rounded smooth. His toys are made strong so they can be handed down from one generation to another. He uses only child safe finishes. The museum has a complete N -Scale Train Layout which operates two Light Mountain 4-8-2's. New to the collection, a G-scale steam locomotive, the largest of the model train gauges runs 100 feet around the ceiling. One passenger train and one freight train both run at the same time for the young and young at heart who love model trains. Don't miss your chance at blowing a three tone steam whistle that came off a steam locomotive switch engine that used to operate in southeastern Ohio!

National Museum of Cambridge Glass

CambridgeGlassMuseum.org

Experience what it was like to work at The Cambridge Glass Company (1902 – 1958). Watch a vintage film showing the Cambridge artisans as they demonstrate the handmade glassmaking process inside the famous glasshouse. You can then dress as glassworkers and hold the original tools that were used to manufacture each piece. Stroll through colorful displays featuring over 9,000 pieces of handmade Cambridge Glass. Make a pencil rubbing from an authentic etching plate once used by the company, known worldwide for quality, as a souvenir.

2020 marks the 100th year since the enactment of the 18th Amendment and Prohibition! The 1920s were the most prolific years for The Cambridge Glass Company. Experience how the Roaring 20s affected the glasshouse and the City of Cambridge, Ohio. Visit the new “Speakeasy” display in the museum’s education Center. In the Roaring Twenties, a surging economy created an era of mass consumerism!

You can also travel back in time with our Time Travelers tour option and meet Lizzie and Bessie from the glasshouse addition of Cambridge.

Cambridge Glass in Hollywood! Enjoy learning about movies that feature Cambridge Glass and what stars purchased the glass.

Take a behind the scenes Dickens Victorian Village tour (May – October). This unique tour takes your group behind the scenes and explains how the Dickens characters are created from their wooden frames, painted faces and beautifully crafted clothing.

National Road & Zane Grey Museum

OhioHistory.org/NationalRoad

This museum consists of 3 different exhibit areas. The first is about The National Road, America's first federally funded highway, also known as "The Main Street of America." A 136' diorama illustrates the construction of the road at various phases and shows how progress followed it. There are also many examples of transportation which would have traveled the road including an authentic Conestoga wagon, a stagecoach sleigh, a steam car, and a surrey with fringe on top. Also you'll find the Zane Grey area which is a tribute to locally born western author, Zane Grey, who wrote over 80 novels some of which turned into 100 different movies. And in the center of the museum, a gallery displays beautiful examples of locally produced art and ceramic pottery.

Stone House Museum

KennedyStoneHouse.org

Look through this window into the past on the shore of beautiful Salt Fork Lake. This lovely Stone House has been restored to its 1840's appearance complete with a summer kitchen and existing unique root cellar. The summer kitchen, built adjacent to the main house, lessened the possibility of fire and also kept the main house cooler in the summer. The kitchen was used year round for the preparation of food, as well as butchering and canning. The ox yoke on display above the fireplace was worn on oxen that hauled the sand stone to the site by the Irish masons who built the house.

Perched high atop the rugged terrain of rural southeast Ohio, the scenic lodge golf course at Salt Fork State Park is a destination worth taking the clubs to. With its rolling fairways and expansive greens, the 18-hole championship course will challenge even the most experienced golfer. The par-71 course spans 250 acres of forested hills, open meadows and misty valleys of Guernsey County. Measuring only 5,786 yards from the white tees, the course plays considerably longer than expected because of the numerous uphill approach shots.

Whether you're planning a corporate team building golf outing, a men's or women's league, a school tournament or a family bonding day, we can help you plan your outing, including a hearty meal afterwards. Looking to have a charitable event or benefit scrambles? Our courses are ready to help you set up a wonderful outing! Catering options are available.
