Cambridge, Ohio (April 2, 2018) Sponsored by the Cambridge/Guernsey County Visitors & Convention Bureau, Bill Clevlen, national travel journalist, author and broadcaster will present an entertaining and free program on *100 Things to Do in America Before You Die* on the evening of April 27, 2018 at 7pm during his stop in Cambridge at the Crossroads Branch Library (63500 Byesville Rd, Cambridge, OH 43725) as part of his Rediscover America Road Trip Tour. Bill's book features 100 uniquely American experiences and one is right here in town! Kennedy's Bakery has made the national list of bucket list items, and Bill will talk about why he picked the iconic bakery along with some of the other experiences in the book which will be available for sale during his visit. Bill will also share fun stories about traveling across the U.S., play trivia games with the audience and you're probably going to laugh. (Bill was a professional comedy writer before becoming a travel writer in 2013.) Don't miss out on this special evening.

When asked about his book and why he had included Kennedy's Bakery, Clevlen said, "*100 Things to Do in America Before You Die* is a collection of uniquely American experiences. Since the founding of our country, the neighborhood bakery has played an important role in not only fresh bread and treats - but often as a place to visit with neighbors and friends. Kennedy's Bakery is known worldwide for their delicious creations and the owners perfectly represent the hard working and dedicated people that typically operate small town bakeries across the U.S. And, to boot, they are a heck of a lot of fun to be around. Food has become an important part of travel, and I hope that readers include Cambridge and Kennedy's Bakery when they're traveling through Ohio."
