

## **Southeast Ohio Winter Getaways for couples, families**

CAMBRIDGE, Ohio (Jan. 18, 2021) – Cabin fever takes on a new meaning in 2021. Vacation starved families and couples are seeking to get out of their house and cozy up in another.

“People are flocking to cabin rentals as a result of the COVID-19 pandemic. They’re looking for destinations that offer social distancing with a great view. And, we have them!” Debbie Robinson, Executive Director for the Cambridge/Guernsey County Visitors and Convention Bureau said.

Among the top rental destinations in southeast Ohio is the charming Timberline Cabins, situated within Ohio’s largest state park - Salt Fork. Guests actually drive thru a portion of the park to get to their cabin.

Each of Timberline’s seven cabins is nestled in a wooded, private setting and located less than a quarter of a mile from Salt Fork Lake. The lake features 3,000 acres for boating, fishing and skiing during the warmer months and more than 21,000 acres of surrounding land for year around activities (horseback riding, hiking, biking).

“I think what visitors have loved about renting a cabin is the space it offers them,” explained Robinson. “Families or couples can enjoy the outdoors with the amenities of home. Every cabin at Timberline offers a hot tub, beautiful deck, grill, private bonfire pit... all while not sacrificing the connectivity of home with cable television.”

Robinson also noted the cabins around Salt Fork Lake are within a short 15 minute drive of Cambridge, Ohio. The city offers a charming downtown with locally owned restaurants with extensive carry-out or dine-in menus. The area is also home to numerous unique boutique shops filled with must-have items to carry home.

For more information, contact the Cambridge/Guernsey County VCB office at 627 Wheeling Avenue, Suite 200 in downtown Cambridge, call 740-432-2022, email [info@VisitGuernseyCounty.com](mailto:info@VisitGuernseyCounty.com), or visit [VisitGuernseyCounty.com](http://VisitGuernseyCounty.com).
