

## TALKING TOURISM

Oct. 1, 2017

Each month this space will be devoted to a column written by Debbie Robinson, executive director of the Cambridge/Guernsey County Visitors & Convention Bureau (VCB). She will provide information about upcoming events, area attractions, bureau services and projects, and most importantly, communicate the tremendous impact that the travel and tourism industry has on this region.

### New! Food Guide Unveiled

Cambridge/Guernsey County Visitors & Convention Bureau recently unveiled its first food guide designed to whet the appetite of any foodie enthusiast.

"Southeast Ohio offers a unique blend of edible adventures, ranging from a winery that offers craft beer, detectible chocolates to eclectic restaurants," said Debbie Robinson, Cambridge/Guernsey County VCB Executive Director. "The Cambridge/Guernsey County food guide is quickly becoming a valuable tool when we speak with travelers in our Tourist Information Center. One of the questions we answer the most is about which restaurants and specialty shops to try. The new Food Guide is the perfect reference tool for everyone."

Sections in the guide include local restaurants, unique options (specialty shops), pizza, ice cream parlors, and nightlife locations.

Robinson noted the guide highlights everything tasty in the area from Mr. Lee's trademarked pizza-burgers® and Cid's made-from scratch BBQ to Theo's mile-high meringue pies and Kennedy's Bakery donuts.

The new food guide is available to view online at [www.VisitGuernseyCounty.com](http://www.VisitGuernseyCounty.com).

For a free copy, stop by the Cambridge/Guernsey County VCB's Tourist Information Center at 627 Wheeling Avenue, Suite 200 in downtown Cambridge, Ohio.
