How Did They Make That?

Two Days/One Night

Available Monday – Fridays

(Some tours only available on specific days and times)

Go behind the scenes for a personal tour of several of our Ohio-made treasures and historic buildings.

9am Mosser Glass Tour and retail shopping

Visit our beautiful retail store onsite. You will find all of our gorgeous creations plus more. Pick up a treasured souvenir, find that perfect gift for someone special or add to your own glass collection. Mosser Glass offers an interesting learning experience with a free guided tour through our facility where you will see our talented craftsman at work and learn about the process of glass making.

10:15am Choose from either one of our many Make & Take options or visit our eclectic shops in Historic Downtown Cambridge.

12 Noon Lunch in one of our local eateries

1:30pm Drop off luggage at host hotel

Choose from one of the following, or choose them all:

2:30 p.m. Travel to Malta, Ohio for a personal tour of D. G. Welding and Design, LLC. Owned by David Greismyer, he expresses his creativity through pen and ink, acrylic paints, and metal sculpture. One option for a Make and Take would be a metal windchime.

Your group will love the McConnellsville, **Ohio Twin Cities Opera House**. Opened in the mid-1800s, it was the first building in Morgan County to be lit by the electric light. Today the theater screens recently released films, as it has done nearly every weekend since 1936.

Or tour the **Morris Hardware Store** in McConnellsville where each guest will receive a gift. Established in 1845, the oldest operating hardware store in Ohio offers a large variety of hardware. Visitors can also enjoy the pressed tin ceilings and the duck pin bowling alley that has been converted into a paint room.

Take a scenic route back to Cambridge.

Dinner and overnight with campfire and s'mores at Salt Fork Lodge & Conference Center

Day Two

Breakfast at host hotel.

9:15 Take a tour of Zanesville, Ohio **Conn's Chips** tour (available Mondays and Tuesdays only) Established in 1935, the family-owned business has satisfied millions of American snackers with premium potato chips and delectable snack foods. In that year, Mrs. Ida Conn, perfected the potato chip. Mrs. Conn carefully selected the best potatoes, pure vegetable shortening and salt, and created potato chips that have set the standard for good tasting chips for more than 70 years. This enterprising businesswoman proudly delivered her popular Conn's Potato Chips to her customers in a market basket.

Or

Enjoy the **5 B's Embroidery Company Tour**. As a family owned business founded in 1980 by the Biles family, 5B's is currently one of the largest contract embroidery operations in the United States. 5B's combines state-of-the-art systems with old fashioned values centered on you, our customer. From its humble beginnings as a specialty sewing business, operated from the family's basement, 5B's now occupies a 170,000 square foot facility, with over 400 embroidery heads, operating 20 hours a day.

12 Noon Lunch at the **Guernsey County Senior Center** and have your picture taken with Allan Cottrill's Hopalong Cassidy Statue. Laura Bates or another Hopalong Cassidy enthusiast will tell you tales of William Boyd, Cambridge's own hometown hero and beloved cowboy!

Depart after lunch.
