

Traces, Trails & Tales Student/Youth Experiences

The Great Steam Locomotive Museum houses handmade steam locomotives by master craftsman and owner, Brian Gray, that had an impact on the growth of American Railroads. Also onsite is the Cambridge Wooden Toy Company with handmade wooden toys from yesteryear. Students will marvel at the marble tree and be mesmerized by the model trains!

Deerassic Park Education Center focuses on providing youth and families with exceptional outdoor education opportunities. It includes the Welcome Center and the White Tail Deer Hall of Fame.

Plan a holiday trip to experience **Dickens Victorian Village** and the streets of downtown Cambridge filled with delightful and educational scenes from Charles Dickens' "A Christmas Carol" November 1 – January 1. Don't miss special events and the spectacular holiday light show each evening at the Guernsey County Courthouse.

Experience sitting in an authentic one-room schoolhouse complete with desks slates, chalkboards and a potbelly stove. Grab a hardhat and lunch

pail to learn about our coal area's mining history at the **Guernsey County History Museum**.

Visit the boyhood home of the late John Glenn, astronaut and U.S. Senator, and experience 20th Century American History. **The John & Annie Glenn Museum** offers a captivating living history experience.

Kennedy's Bakery is the perfect stop for student/family groups to tour through the bakery and learn how cakes are decorated.

Your group will revel in "the Greatest Story Ever Told" at **The Living Word Outdoor Drama**, a non-denominational outdoor theater, depicting the moving and powerful life and ministry of Christ on a spectacular 400-foot panoramic permanent set. A special backstage tour is available for your youth/family groups before the performance. If you can't come during the Living Word season, enjoy a dramatic presentation combined with lunch or dinner while in Cambridge.

The National Road & Zane Grey Museum is a "three for one" stop with three unique displays retelling national and regional history. Students/family groups will learn about our country's first federally funded highway, hear about the locally born author, Zane Grey, and see the display of locally produced art and ceramic pottery.

See the glassmaking process up close with a free tour of **Mosser Glass Factory** or take a hands on tour at the **National Museum of Cambridge Glass** to learn about the types of jobs people had at the glass house nearly 100 years ago. Dress as glassworkers and hold the tools used to manufacture Cambridge Glass.

Spend a morning or afternoon at The Wilds, the largest and most innovative wildlife conservation on nearly 10,000 acres. Located near Cambridge, it is home to rare and endangered species from around the world. Board an open-air safari to see and learn about the animals living in open-range habitats. Open daily May-October and by reservation November-April.

The **Salt Fork Arts & Crafts Festival** is held the second weekend in August every year in the Cambridge City Park. The park is filled with artists tents, musical performances and tasty concessions. The arts and crafts tent offers attendees an opportunity to make crafts, a perfect family or student activity.

Peters Creek S-bridge is a perfect place to learn about the National Road, An All American Scenic Byway. Historic stone arch bridges, called S- bridges derive their name from the sharply curving approaches to the span. The Peters Creek S-Bridge was built in 1829 with well cut sandstone. Floods of traffic used this bridge on the Old National Road that headed for the western frontier.
