Summertime invites you to remember the carefree days of your youth with memories of fireflies dancing at twilight and tall grass growing in open fields. However, when the sun becomes too hot and the world is spinning too fast, Guernsey County offers the siestas that you long for and the fiestas that make it memorable.

THE SIESTAS

Sitting in a rocking chair sipping a tall, cold glass of lemonade on the Colonel Taylor Inn porch, you'll feel the cares of the world melt away. Voted "Best in the USA" by inn goers, the **Colonel Taylor Inn Bed & Breakfast** provides a setting of a bygone era. This beautiful three-story, 9,000 sq. ft. Victorian mansion was built in 1878 and features four guest rooms, three porches, a library, game room, and more.

If you're looking for a siesta a little farther out with a hammock and a view, the **Pine Lakes Lodge Bed & Breakfast Resort & Conference Center** offers a tranquil escape. Perched atop 550 acres, the lodge features three floors of breathtaking views—inside and out! The hand-hewn barn beam mantles, hardwood floors and cathedral ceilings are spectacular.

Summer isn't complete without a trip to the lake and Guernsey County has some of the largest in the state! Load up your Wave Runners, pack your lawn chairs and beach towels, and head to **Seneca Lake** or **Salt Fork State Park**. Billed as the third largest inland lake in Ohio with 3,550 acres of water, Seneca Lake offers boat rentals, a swimming area, and serene surroundings for a family picnic. Salt Fork State Park (the largest state park in Ohio) offers 3,000 acres of open water with unlimited horsepower for skiing, power boating, cruising or simply lounging.

THE FIESTAS

It just wouldn't be summer in Cambridge without the free Concerts in the Park series by the **Cambridge City Band**, the oldest community band (cr. 1841) in the State of Ohio.

The drama for the ages is presented every June through September on a spectacular 400-foot panoramic set replicating Old Jerusalem. The **Living Word Outdoor Drama** is the **only** live drama presentation of its kind in the state. For more than 40 years the cast has presented the Life and Ministry of Christ.

The Cambridge City Park comes alive with the **Salt Fork Arts & Crafts Festival** the second weekend in August. More than 200 artists participate in this unique festival. Special features include craft classes, entertainment, fine arts and crafts, demonstrations, performing arts, showcase of Ohio foods, youth art display and much more.

Mark your calendar for the annual **National Cambridge Glass Collectors Show & Sale** each June. And the entire family will enjoy a day of fun during the annual **National Road Bike Show & Ribfest**. Visitors vote on their favorite bike, watch a Bike Rodeo, and enjoy live music and more!

Cambridge also plays host to one of the hottest **Fourth of July** events in Ohio! The annual "**Boomarama**" is not just about fireworks. It provides an opportunity for families to gather at the City Park and enjoy food provided by local vendors with a bevy of musical entertainment. Car shows, corn hole tournaments, and a fireworks extravaganza celebrate the nation's birthday.

When You Have More Time...

OHIO HILLS FOLK FESTIVAL

The Ohio Hills Folk Festival has celebrated the small rural town of Quaker City since before the Civil War. A four-day event in July, the festival offers a look at the past and the present with a farm museum, country store and Quaker Meeting House. A large fireworks display, nightly entertainment, parades, flea markets, and craft shows take place.

FAMILY & FRIENDS JUBILEE

Celebrate your family's unique heritage each August at the Big Pavilion in the City Park.

Before You Go...
