John & Annie Glenn Museum

JohnAndAnnieGlennMuseum.org

This museum honors the first American to orbit Earth along with his remarkable wife. In a captivating living history presentation on the main floor of John Glenn's boyhood home, visitors step back to either 1937 during the Great Depression, 1944 – during WWII or 1962 when John Glenn orbited Earth.

The museum will open to groups for meetings when it is not open for regular hours, and it is also available by appointment for luncheon and dinner tours.

The Museum is owned by Ohio History Connection and is managed locally by the Museum Association of East Muskingum.

Meeting Space Amenities

The classroom in the museum is normally set up theater style but can be arranged to meet the needs of your group. It can seat 40 people theater style and 30 banquet style.
