### What is the Visitors & Convention Bureau? How can they help you in your job?

Visitors & Convention Bureaus are not-for-profit organizations charged with representing a specific destination and helping the long-term development of communities through a travel and tourism strategy.

Visitors & Convention Bureaus are destination management organizations that bring together businesses that rely on tourism for revenue. For visitors, VCB's are like a key to the community. As an unbiased resource, VCB's can serve as a broker or an official point of contact for convention and meeting planners, tour operators and visitors. They assist planners with meeting preparation and encourage business and leisure travelers alike to visit local historic, cultural, recreational sites and more.
