

TALKING TOURISM

April 7, 2024

Each month this space will be devoted to a column written by Debbie Robinson, executive director of the Cambridge/Guernsey County Visitors & Convention Bureau (VCB). She will provide information about upcoming events, area attractions, bureau services and projects, and most importantly, communicate the tremendous impact that the travel and tourism industry has on this region.

Eclipse Events April 8th

Excitement is building across the nation for a rare solar eclipse that will partially be visible right here in Southeast Ohio on the afternoon of April 8. And while Guernsey County is not anticipated to be in the path of full totality, there's no better place to see this once-in-a-generation event than in our area. Rocky Fork Ranch and John & Annie Glenn Museum will both offer special events during the afternoon eclipse. They both are ideal spots to see this phenomenal event with friends and family.
