CAMBRIDGE GUERNSEY COUNTY *Visitors & Convention Bureau*

The U.S. will be celebrating its semiquincentennial (that's 250 years) in 2026, and Ohio and Guernsey County are ready to Celebrate!

Ohio Air & Space Trail

Follow the footsteps (or flight paths) of pioneer aviators, innovators and explorers who helped the world to take flight. There are more than 30 Ohio museums and historic sites that showcase our contributions to aviation and aerospace. One museum is right next door to Guernsey County. Your group can also enjoy the thrill of seeing aircrafts up close.

- **John & Annie Glenn Museum**-The Glenn's lived through and had their lives shaped by the great depression, WWII, the Korean Conflict, the Cold War and the Space Race. John Glenn was the first American to orbit the Earth. Your groups will be thrilled with the first person interpretation as they tour John Glenn's boyhood home.
- **Cambridge Airport Fly In**-September 6, 2025-The Cambridge Municipal Airport invites you to see many unique and captivating aircraft and automobiles. Add this event when you book.
