

TALKING TOURISM

August 2, 2026

Each month, this space will be devoted to a column written by Debbie Robinson, executive director of the Cambridge/Guernsey County Visitors & Convention Bureau (VCB). She will provide information about upcoming events, area attractions, bureau services and projects, and most importantly, communicate the tremendous impact that the travel and tourism industry has on this region.

2027 Tourism Event Information Needed

The Cambridge/Guernsey County Visitors & Convention Bureau is now accepting tourism-related event information for 2027! If you're planning a special event or festival, we'd love to help spread the word.

Please submit your event information to the VCB by September 15 to be considered for inclusion in our 2027 promotional materials.

As a free service, the bureau features qualifying events in our annual Travel Guide's event calendar, on our website, in quarterly e-newsletters, this monthly *Talking Tourism* column, and across our social media channels. Qualifying events are also submitted to Ohio's official tourism website, Ohio.org, providing even greater exposure. Please note that the state recommends submitting events at least 3 to 6 months in advance to maximize promotional opportunities.

Planning an event? Complete the online Calendar of Events form by visiting VisitGuernseyCounty.com, selecting Events, and then clicking Submit Event. The more complete your event details are, the easier it is for potential visitors to plan their trip and attend your event!

Need assistance with the submission process or have questions? Contact Office Manager Terri Herron at info@VisitGuernseyCounty.com.

Events are one of the biggest reasons travelers choose one destination over another. Help us showcase everything Guernsey County has to offer by submitting your 2027 event today!
